

Anderson County Fair Association, Inc. Truck Pull Rules and Classes

General Rules:

1. Owners must drive their truck to tech. Owners must present a valid driver's license to register. If the registering participant is not the owner of the vehicle, he / she must be present at the time of technical inspection and have a valid drivers license.
2. The hitch's height from the ground may not exceed 26 inches.
3. All loose articles must be secured.
4. Pull Vehicle Must have DOT approved tires. No cut tires.
5. No Nitrous or Propane!
6. Pullers must provide 4" ID or larger clevis, on truck.
7. ALL participants MUST wear seat belt.
8. Trucks must meet street legal requirements. Lift kits are acceptable, does not apply to outlaw class.
9. If they are hauled in, you WILL go into outlaw class.
10. No added weights of any kind in street class. Mounted fuel tanks and empty tool boxes allowed.
11. Trucks will be inspected at gate and weighed and classed accordingly.
12. Any announcements or rules made / changed the day of the event, if needed, supersede these rules.
13. Puller will be disqualified if management is suspicious of Driver being under the influence of drugs or alcohol.
14. One passenger will be permitted in the truck when pulling.
15. All trucks must be one-ton or smaller in capacity except in outlaw class.
16. Exhaust must extend behind cab and exit through stacks in the bed or out the side or rear location.
17. Truck inspections, before or after the pull, that find violations to the rules of their Pull Class will result in an immediate disqualification of truck and driver; all registration fees will be forfeited; and all prizes will be forfeited.

General Procedures:

1. First truck out in each class can decline the distance and come back as the third puller.
2. Puller will have 2 chances to get past 75 foot marker.
3. Track judge's (flaggers / officials) decision is final.
4. Pullers may buy back in one time for \$30, if time permits (decision will be made day of event).
